Letter of Support

**Absolute Building Supplies**

The Office of Queensland's Chief Entrepreneur (OQCE) champions Queensland's reputation as Australia's #startupstate with the talent, community, outcomes and deal flow to prove it. Our office is the first of its kind in Australia, and is led by the current Chief Entrepreneur, Ms Leanne Kemp.

The Office of Queensland's Chief Entrepreneur supports the development of Queensland's startup ecosystem by supporting local entrepreneurs, startups, and small businesses across the state by connecting them with the right opportunities, people, places and spaces to help them grow, scale and create jobs.

The OQCE has an excellent relationship with Indigenous business, Absolute Building Supplies (ABS). ABS is a scaling Queensland company and we endorse their efforts to expand across the State and do business with likeminded individuals and organisations that nurture and commit to buying from Indigenous businesses.

If you would like to discuss our dealings with Absolute Building Supplies further, or our efforts in encouraging Queensland's Indigenous businesses please do not hesitate to contact my Director, Mr Craig O'Kane on the telephone number below.

Yours sincerely

Leanne Kemp  
Queensland Chief Entrepreneur
